We offer our sincere thanks to the following people for their grand cooperation and assistance:

Mary Jane Ratcliff, Mary Mattingly, Robert Greiner, Ellen Powell, Dick Webber, John Ross, Larry Buck, Don Weekly, and Jeanne Wallace.

We, the Senior Class of 1950
extend our sincere thanks to Miss
Hadley for her numerous deeds
for the betterment of our school. It is
therefore our great pleasure to dedicate
our Annual to a most deserving
and loyal person, Miss Hadley.

High on a Hilltop

High on a hilltop
 Overlooking the town
 In dignified silence
 She stands there, looking down.

The halls echo the footsteps
 Both rushing and slow,
 They echo the cries
 As each come and go.

Gravely silent, the walls absorb,
 With invisible ears,
 The knowledge imparted
 Growing wise through the years.

Like a knight guarding his castle
 She'll stand there until
 She has finished her work here.
 The schoolhouse on the hill.

CLASS HISTORY

School days started for the class of '50 on a September morning in 1938.

There were 18 girls and boys who found their way up to the hill to the grade school at Sparland. They were: Dorothy Allison, Jack Ankron, Carolyn Brown, Lois Bryden, Larry Buck, Alfred Davis, Betty Dawson, Mary DeWalt, Duane Flock, Charles Hawksworth, Jack Kear, Mary Lopeman, Norman Macumber, Agnes Moss, Eldon Moss, Leslie Nighsonger, Henry Rennau, Jack Ross. This first grade class was taught by Miss Estelle Kelhenback.

Going into second grade we not only gained a new teacher, Miss Alice Cunningham, but four new classmates, those being Betty Ingram, John Babington, Robert Shipley, and Danny Middour. Those leaving us were Mary Lopeman, Agnes Moss, Eldon Moss, Henry Rennau, and Jack Ankron.

Moving across the hall we acquired Ruth Hattan, Franklin Schultz, and Anna Kear to the class. This and the fourth grade were taught by Miss Wilmina Monier. In the fourth grade we were joined by three new smiling faces, Martha Eckhoff, Lloyd Mercer, and Patricia Schupp. Departing from the class were Mary DeWalt, Ruth Hattan, and Franklin Schultz.

As ambitious fifth graders we approached the year where we could have a room upstairs and with us went five new classmates: Charles Downey, Nancy Downey, Marshall Spellious, Donald Gawitz, and Ruth Engelbrecht. Moving away this year were Betty Dawson and Lloyd Mercer. Miss Fern Frank was the teacher for our 5th and 6th grade years. And to this 6th grade class came Robert Greiner, Ellen Powell, Shirley Holler, and rejoining us again was Betty Dawson. Only two were missing from the roll call this year, those being Charles Downey and Leslie Nighsonger.

Feeling most dignified we entered into the Junior High with Miss Eleanor Bussell as teacher. Added to our group was Larry Wilkins.

Nineteen forty-six found this class of 17 eighth grade students anxious to enter into High School. And if you were at the Eighth Grade Graduation of the class of '46 these people you would have seen on the stage: Dorothy Allison, Carolyn Brown, Lois Bryden, Larry Buck, Betty Dawson, Martha Eckhoff, Ruth Engelbrecht, Robert Greiner, Charles Hawksworth, Jewell Haycraft, Shirley Holler, Ellen Powell, John Ross, Jerres Jane Powell, Patricia Schupp, Marshall Spellious, and Larry Wilkins. This night of graduation was full of excitement as well as the prospective hope of a joyful four years in High School.

Summer vacation soon hurried by and here was school again staring us right in the face. But this was different, we were going into High School, something we had been looking forward to for eight long years. Carol Bennett, Mary Lou Giugler, and Vernon Gindler joined us while Shirley Holler and Jerres Jane Powell moved away. And so we started on our way to becoming Seniors as we began school as green freshies. Mr. Lurain was our sponsor.

As silly Sophomores Jean Burnett joined us and leaving us was Jewell Haycraft. This year our sponsor was Mr. Jones. We were finally on our way and were looking forward to our Junior year.

Progressing very rapidly we climbed to the class of Jolly Juniors. This year we had the least number of students since we started in the first grade, 14 was the full count. Gaining Patricia Mattingly and Richard Webber. And losing Dorothy Allison, Ruth Engelbrecht, Marshall Spellious, Larry Wilkins, and Jean Burnett. On February 16th we received our class rings and were we proud of them. And then at the last of the year the Junior Class introduced the idea of having a prom at the school. This turned out very well and was enjoyed by all. Mr. Turnbull was our advisor this year.

As most Seniors would say "I have finally made it!" We are the Senior Class of nineteen hundred and fifty. We have reached the height which we have so long studied for. During our Senior year we have had Senior pictures taken, we are looking forward to a very nice trip, and also hope that the Junior Prom is as nice as the one we put on. We have had the pleasure of putting out the Annual and the School Paper. We are all looking forward to Baccalaureate, Class Night, and Graduation. Our sponsors this year were Mr. Glen Turnbull and Miss Leuella Parlier. And those who are in this graduating class of 1950 are as follows: Carol Bennett, Carolyn Brown, Larry Buck, Lois Bryden, Betty Dawson, Martha Eckhoff, Robert Greiner, Mary Lou Giugler, Charles Hawksworth, Ellen Powell, John Ross, Patricia Schupp, Donald Weekly, Rich Webber, James Curry, Patricia Mattingly, Bill Kelly, and Imogene Kenyon.

Last Will And Testament

We the honorable Senior Class of Sparland High School, County of Marshall, State of Illinois, who it has been declared of to be levelheaded, sane, and of sound mind and memory, do declare that this is to be our "Last Will And Testament".

To Junior Moody--we leave the quiet manner of Betty Dawson.

To Eugene Bogner--we leave the Basketball ability of Larry Buck.

To Mary Jane Ratcliff--we leave the becoming laugh of Patricia Mattingly.

To Angeline Gries--we leave the unquestionable brain of Don Weekly.

To Bill Hosler and Kenny Summitt--we leave the melodious voice of Chuck Hawksworth.

To Willard McCartney--we leave the tremendous pounds of Jim Curry.

To Joyce Jury--we leave the gabby wind of Martha Eckhoff.

To LaVeta Johnson--we leave the enormous size of Mary Lou Giugler.

To Ida Pearl Green--we leave the height of Carolyn Brown.

To Bill Bryden--we leave the unmarred attendance of Bob Greiner.

To Marilyn Streitmatter--we leave the left hook of Lois Bryden.

To Tommy Schupp and Bill Powell--we leave Bill Kelly's maroon, super deluxe convertible.

To Verla Oltman and Evelyn Wood--we leave the presidency of the Mr. Glover fan club now held by Ellen Powell.

To Mary Mutta--we leave the numerous boy friends of Carol Bennett.

To Clifford Gill--we leave the picture of Jerres Jane in John Ross's wallet.

To Jim Boehle--we leave the good looks of Dick Webber.

To Sparland's Driver Education Class--we leave Patricia Schupp's beautiful, most wonderful car.

To our beloved History Teacher, Mr. Glover, we give the good grades we received in the past year so he may pass them on to the seniors of next year.

To the Juniors, we give the choice seats of the study hall, next to the windows so that they can be more conveniently located to see each car that passes by. May they not over use this great privilege. They may also use the gum left under these desks in any way desirable. We hope they remain as well flavored as when we left them.

CLASS PROPHECY

It was nearing midnight when my escort and I strolled into the "Gypsy Tea Room" to bring a quiet ending to our evening on the town. A small orchestra in the corner was playing softly, striving to be heard over the murmuring people and tinkling of the glasses.

Relaxing, we sipped our tea reminiscing of days gone by. A little old gypsy came by our table with a crystal ball in her hand. She asked us if we would like to know what the future held for us. We were in a mood to be amused so naturally we said yes.

Seating herself, she leaned mysteriously over her crystal ball--murmuring gibbishes that I could not understand. Finally she seemed satisfied.

"Ah," she said, "I see faces crossing my crystal ball now. Zee first one I see ees that of Ellen Powell. Ellen has realized her beeg ambition. She ees now a joint partner weeth Fred Astaire. She helps him run hees dancing studios. The name of zee studios has been changed to "Astaire and Powell Dancing School-Walk In and Waltz Out." Zee face is fading away and now comes that of Donald Weekly. Don has become zee successor of Charles Atlas and has hees manly physique pictured een every leading magazine. Don says it is not hard to be a real man--just remember to eet your wheaties every morning. I sat quietly thinking of how our Don had succeeded in the world."

Suddenly, the Gypsy murmured in a strange voice, "and now, there crosses zee chreestyl ball an image, surrounded by leetle children--seven boys. Why, eet is that of Maree Lou Giugler Winkler. Maree Lou's husband prunes trees. Says Mary Lou, with a twinkle in her eye, 'My husband is full of prunes'. She dances away now from my chreestyl ball and in her place I see a eek!!!--oh, it is just zee face of John L. (Lover-Boy) Ross. John is now "The Great Lover" of Hollywood. His form graces many a movie screen and his lovely bass voice rings out to threel the bobby-soxers. Hees face fades away now and ees replaced by that of Nurse Pat-reecia Schupp.

Nurse Patreecia Schupp is an indispensable asset at St. Francis Hospital. Her work ees done ien the old men's ward. Says Pat with a sign, 'And I thought I would get to work with those handsome interns'.

And now I see zee face of a grease-monkey----you know, a mechanic. Eet ees that of William E. Kelly. Bill owns his own garage now. He says he owes all he knows to his faithful old maroon and black Chevie which he drove in hees high school days. His helper at the garage ees hees leetle wife, Betty Dawson. Beell says proudly that eet ees she who draws the customers. Betty seems happy at her job, watching over Beell, the gas station, her home, and the twin boys, Pat and Mike.

But, now, these faces are fading away and the eemage of Janes Francis Curry now graces the chreestal ball. Jim is now married to a French girl he was while he was staggering across the finish line of the mile in the Olympics. My, I'll bet old Coach Glover would be proud to know one of his Sparland Proteges had made good in the world of sports.

And now appears the face of Pat Mattingly, who has finally realized her one ambition to be a cracker jack reporter. She is now assistant editor for the New York Times. Pat earned this position by being the first to get the story on the Great Sparland Fire, which in every way equalled that of the Chicago Fire.

Ahh--now I see the face of the Sheriff of Marshall County--Sheriff Richard Webber. Dick is following in the steps of his Grandfather and is doing his part to bring law and order to the wild and wooly Marshall Pootman Counties. He just hauled in who he through was the dangerous criminal "Killer Katie" but who turned out to be Carolyn Brown. She was trying to get into her own house, but lost her key, so tried to get in an open window. Sheriff Webber caught her in the act. Before all was straightened out it was discovered that Carolyn ees now the wife of a prominent business man, her former boss.

Now I see zee face of Bob Greiner. Bob ees now Professor of Trigonometry at C. C. N. Y. in New York. Quite a few people do not approve of his teaching there. They still remember the C. C. N. Y. basketball team who "robbed" Bradley back in 1950. But Bob seems to be doing O. K.

Zee face of Martha Eckhoff now brightens my chreestyl ball--she ees talking a mile a minute. She married a famous auctioneer and they have great times trying to out talk one another. She and her husband are watching a television screen--where appears the face and physique of "Chuckie" Hawksworth, the crooner comedian. "Chuck" has a wonderful crowd of fans following him, not only bobby-soxers, but grandma's too. Ah, how well I remember "Chuck's" winning personality--he really could put over a song, too. I see hees assistant on the program ees a girl you know, too, Lois Bryden. She seengs duets weeth "Chuckie" as well as taking care of the business part of his program. Rumors have it they are secretly engaged. Their faces are now fading and who do I see strolling across the ball but Mees Carol Bennett. Carol ees now the head of the lonely hearts club which has its headquarters een the old Sparland High School building. Carol's speciality is finding mates for lonely old maids.

And now her face fades away. Eet ees replaced by that of a handsome young man running from a group of beautiful women. Why, eet is that of Larry Buck, Bachelor. Larry seems to be having a hard time trying to keep the she-wolves off. He always was a lady-killer.

The Gypsy stops talking now and sits motionless over the crystal ball. My escort and I just sat thinking over what she had told us. The Senior Class of '50 has done all right in this cruel old world. Well, it's getting late, we must be going home.

JUNIOR NEWS

The class of 1951 entered Sparland High for the year of 1949-50 with an enrollment of twenty members, ten girls and ten boys.

Officers elected were: Tom Schupp, president; Angeline Gries, vice-president; Verla Oltman, Secretary; Evelyn Wood, treasurer; Mary Jane Ratcliff, Class reporter. Bill Bryden, Willard McCartney, and Kenneth Summitt, student council representatives.

We have been ably guided our Junior year by Mrs. Prentiss, and Mr. Nicely. We wish to thank our advisors for their help in making this year a successful one for us.

We welcomed five new members this year. They are: LaVeta Johnson, Chillicothe; June Colwell, Chillicothe; Mary Jane Ratcliff, Bradford; Junior Moody, Bradford; and Clifford Gill, Chillicothe. June Colwell discontinued school during the year.

The class sponsored a forty minute assembly program on December 22, based on Christmas.

The Junior Play was presented April 14, 1950, the title being "Mama Had A Hunch".

The customary Prom was given to the Seniors by the Juniors on April 29, 1950.

We were well represented in extra-curricular activities with most of the boys out for sports, and the girls were represented by one cheerleader, this being Verla Oltman.

We are proud of our class, and we are looking forward to the work in the coming year as Seniors of Sparland High School.

SOPHOMORE NEWS

The class of "52" is looking forward to the day when we can walk upon the stage and receive our diplomas, although we are enjoying our second year at Sparland High School.

We started the year by electing officers. We elected the following:

President....Robert Griswold
Vice President...Lewis Buck
Secretary....Jeanne Wallace
Treasurer....Donald Russell
Student Council...Richard Bogner
 Archie Gauwitz
Advisor.....Mr. Glover
Assistant Advisor...Miss Hadley

We had four new members this year. They were Archie Gauwitz, Donald Russell, Eileen Burkholder, and Jack Kingen. We were glad to have them and we hope to have many more before "52".

The subjects we are taking this year are biology, algebra, English, history, home economics and Agriculture. Irma and Grace are the only ones who took Latin. Several of us took Drivers Education the first semester.

We had a class party Friday, October seventh. It was a weiner roast back in the timber.

We are looking forward to next year when we can call ourselves "Jolly Juniors". The main reason is that we get our class rings. I think we will agree that the past year has been a joyful one for the Sophomore Class.

Freshman Class of 1949-50

On September 7, 1949, the class of '53 entered the doors of Sparland High School. A little afraid but happy with our new surroundings.

The following class officers were chosen at our first meeting:

President.....Herman Barnett
Vice-President.....Bob Bennett
Secretary.....Ted Streitmatter
Treasurer.....Allen Davis
Newspaper Reporter....Mary Mattingly
Student Council Representatives, Carolyn
Webber, and Wendell Hoskins
Advisor.....Miss Buss
Assistant Advisor.....Mrs. Phillippo

September 23rd was the first class party. It was a hay-ride. Everyone came for a warm evening of fun.

Finally the most exciting day of the year came on October 11th---Initiation! The girls were dressed as farmers, with overalls and such. The boys were dressed as girls with dresses and lipstick. All were given a piece to say to the seniors on bended knees.

The Math class would always have been dull if it wasn't for that dignified senior, Bill Kelly, who always kept us supplied with laughs.

The girls P. E. was enjoyed by all, although there were quarrels over what games were going to be played and who the referees were going to be.

English Class, taught by Mrs. Phillippo, was always interesting.

There was never a dull moment during the Freshman Year and all are looking forward to being Sophomores.

STUDY HALL

This consists of a desk for each student and a place to study when the student has no classes to attend. Some time it is sort of noisy but it does help when you need time for extra study for a test.

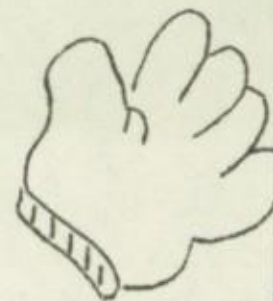

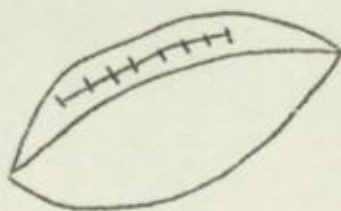

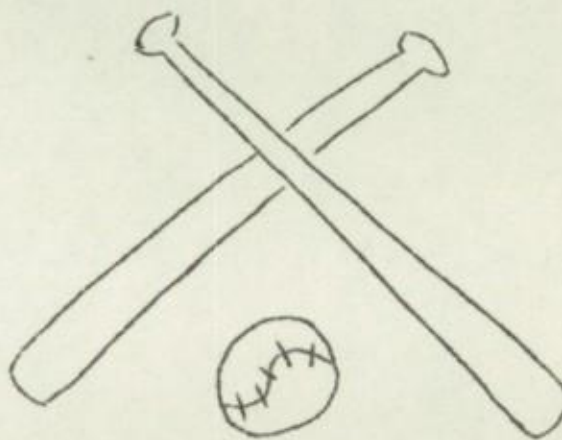

CHEMISTRY ROOM

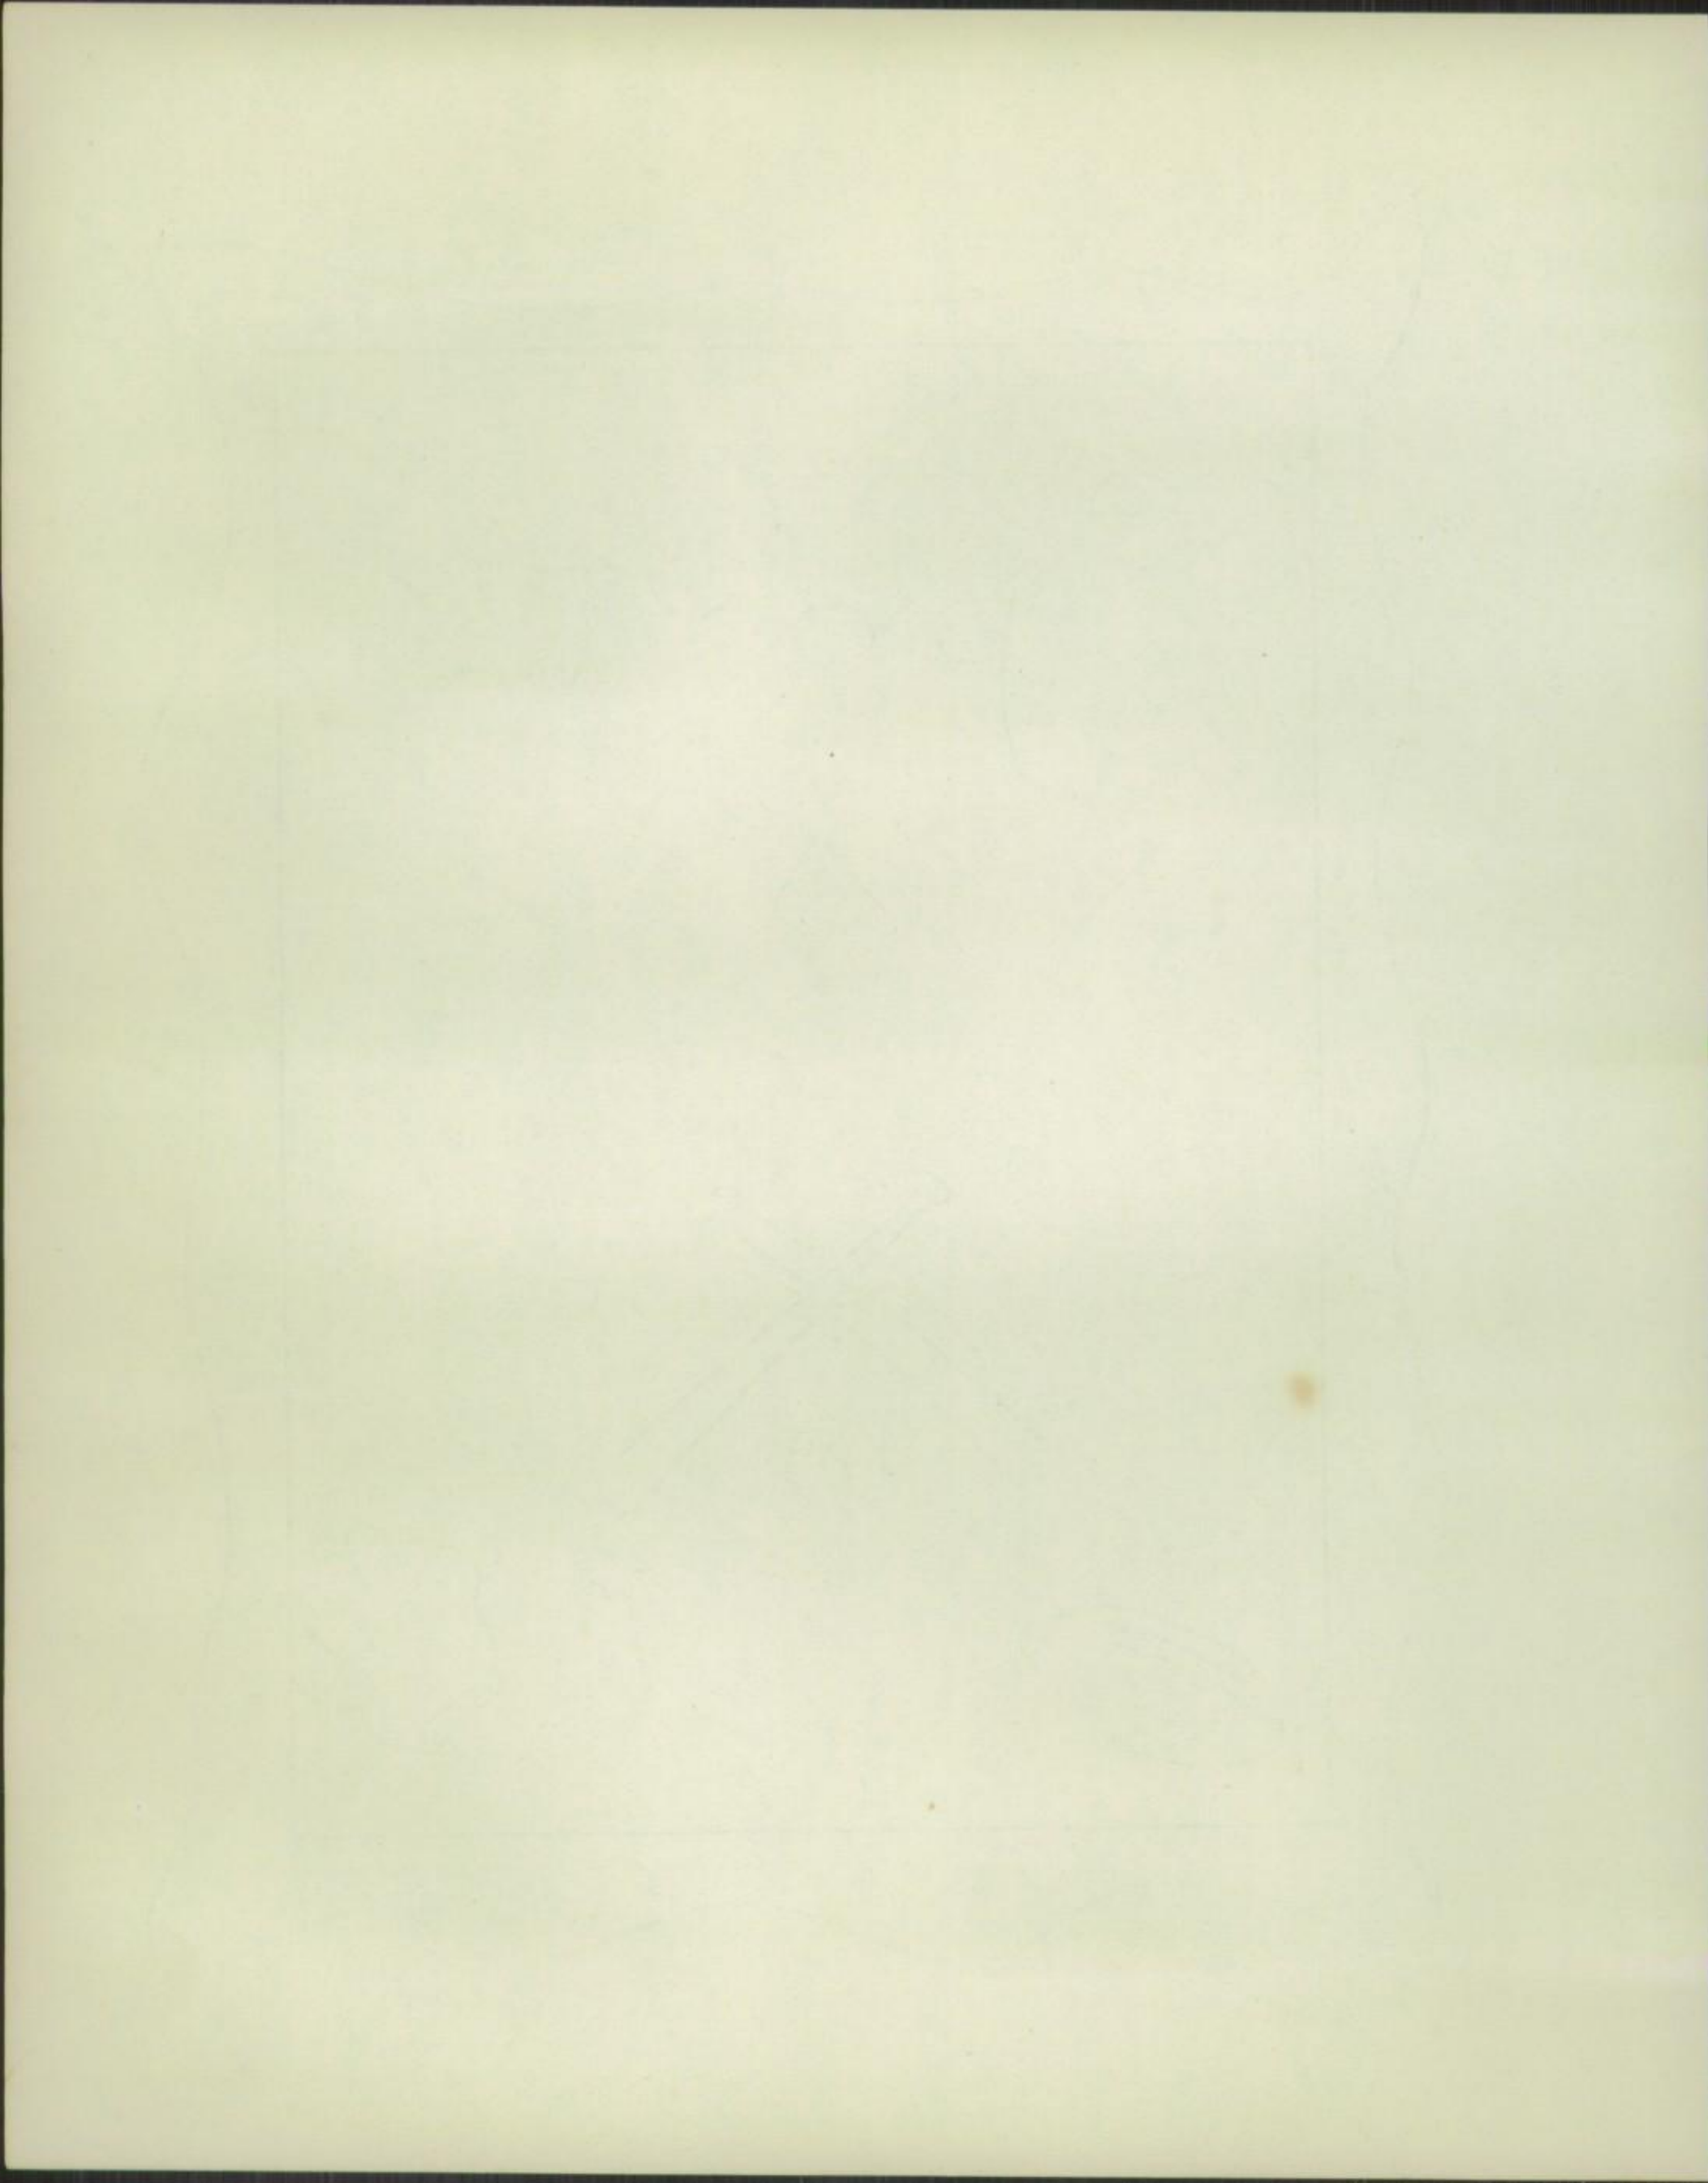

Standing on the right is Mr. Turnbull, and on the left is John Ross. They are doing one of their daily experiments. Looking on with interest is, from left to right: Patricia Schupp, Ida Pearl Green, and Angeline Gries.

Sports

BASKETBALL

This year's basketball season started out with great prospects of winning most of their games. Although we didn't quite accomplish this, we did have a fairly successful season. We won nine games against fourteen losses, which is a record to be proud of.

One of the best games of the season was the game with Glasford on their floor. We beat a team that towered over us in height.

We had quite a few losses before we won another game but we won several afterwards. Our best game of the year was played against Mid-County on their floor where we defeated them by nineteen points which made up for the beating we suffered earlies in the season from them.

We were beaten out of the Tri-County tournament the first night by Henry by a fairly close margin.

We made a good showing in the District tournament by copping the first two games, only to suffer defeat at the hands of Long Point. This put us in second place instead of the coveted first place which would have sent us on to Regional.

All in all, the school is proud of the fine showing made by the team, cheerleaders, and rooters at the games.

This ended one of Sparland's best seasons with a large percentage of games won.

TRACK

Last year's track team was the first team that Sparland has ever had.

Track is an up and coming sport and takes a lot of ability and skill to be able to participate in it.

The team didn't win any honors its first season, having taken a second in the tri-angular meet at Toluca and second in the dual meet at Lostant.

The team this year consisted of Bill Hosier, Lloyd Russell, Chuck Hawksworth, Bob Griswold, Jim Curry, James Appel, Eugene Bogner, Archie Gauwitz, Lewis Buck, Willard McCartney, Bill Kelly, John Ross, Allen Davis, Herman Barnett, Kenneth Summitt, Wendell Hoskins, Donald Weekly.

CHEERLEADERS

The cheerleaders for Sparland High School's basketball team were Betty Dawson, Pat Mattingly, Ellen Powell, and Verla Oltman.

The cheerleaders did an outstanding job this year, cheering the team on to victory. They were present at every game to give the team a lift in morale when needed.

Sparland High considers them as seldom equalled and never excelled.

Three of the cheerleaders will graduate this year. They are Pat Mattingly, Betty Dawson, and Ellen Powell. Pat served as cheerleader for two years; Ellen for two years; and Betty for four years. This is Verla's first year as cheerleader.

We hope that next year's cheerleaders can carry on the fine work of those who will be gone.

GIRL'S PHYSICAL EDUCATION

With our advisor, Miss Parlier, the freshman, sophomore, junior, and senior classes enjoyed participating in many sports. Junior and Senior girl's class was held the fourth hour. The freshman and sophomore girl's class was held sixth hour.

During the year we participated in the following activities: Girl's baseball, basketball, kick ball, volley ball, relays, badminton, tennis and bowling.

All in all, I think we owe our appreciation of fun and excitement to our co-operative instructor, Miss Parlier.

MY WIFE'S FAMILY

When Jack Gay married Stella Nagg, there was every indication that they would be supremely happy and for awhile they were. They even named their new home "Peacehaven", so peaceful and happy was their married life. But alas! Stella had a family, ruled over by her domineering mother, who lives up to her name of Nagg. Of all the mothers-in-law in fiction or reality, Mrs. Noah Nagg is the limit! Her poor, downtrodden, henpecked husband doesn't dare call his soul his own. Together with Stella's younger sister, Ima, Mr. and Mrs. Nagg descend on "Peacehaven", for a visit. Stella's brother, Willie, who aspires to be a writer, has already been visiting there. Noah had bought his wife a piano for an anniversary gift, but as she hates music, Noah suggests to Jack that the piano be moved to "Peacehaven". Jack readily assents but has the piano put in the summer house to have it tuned and repaired before surprising Stella with it. He takes a former horse doctor, "Doc" Knott into his confidence. "Doc" is also a piano tuner and a jack-of-all-trades. By trying to keep the piano a secret, their mysterious actions arouse the suspicions of the very suspicious Mrs. Nagg, who poisons her daughter's mind against Jack. She believes him to be concealing some deep-dyed secret from Stella. In the meanwhile, Miss Lotta Sayles, a literary agent, who is handling Willie's writings, arrives to confer with Willie. When she asks for Mr. Nagg, the old mother-in-law believes that she is seeking her husband; immediately jumping to the conclusion that poor, innocent Noah has been carrying on a flirtation. The arrival of Dolly White, a dramatic instructress, who came to give Ima dramatic lessons, adds further complications, as Mrs. Nagg always puts the wrong implication on everything. Things get to such a state that Jack blows up the summer house with dynamite, to destroy the piano. This brings in the police! Well, it's just one laughable complication after another, until all is straightened out and the nagging Mrs. Nagg is tamed.

BAND NEWS

During the summer the band took a trip to Springfield to play at the State Fair where they took second place. Every two weeks a band concert was given at the Sparland High School for the benefit of the public, and to keep the band members in practice.

As the school year began the band started practicing for the Pumpkin Festival, held at Eureka, Illinois, on September 1949.

Following that was the Peoria Santa Claus Parade, which was on November 25th. The band also welcomed Santa in Chillicothe and Henry. The Henry parade was also a marching contest, and Sparland came home with a first place trophy. Ellen Powell, the drum majorette, received a baton for her ability to lead the band.

The basketball season began and the band was on hand to help pep the boys up at a number of the home games.

On February 22nd the Grade School Twirling Contest was held at Henry, Illinois. This contest was also a preliminary contest for the High School twirlers who wanted to enter the High School contest.

Sparland Grade School received 2nd in the contest held in the Sparland Gym on March 7th.

The following members represented the Sparland School in the District Contest: Mary Jane Welch; Joyce Jury; Irma Stuff; Lois Bryden; Mary Jane Ratcliff; Kenny Summitt; Beverly Jones; Angeline Gries; Bob Griswold; Bob Greiner; John Ross; Jeanne Wallace; Ellen Powell; Mary Lou Giugler; Evelyn Wood; LaVeta Johnson; Lloyd Russell; Bob Bennett; Donald Rickey; Eulonda Jones; Sharon Schupp; and Bernadine Hankins.

In the State Contest the following are to be recommended on their fine work: Jeanne Wallace; Irma Stuff; Beverly Jones; Bob Greiner; Joyce Jury; Kenny Summitt.

DRIVER'S EDUCATION CLASS

A new class that has been added this year is the Driver's Education Class under the leadership of Mr. Glen Turnbull. There were seventeen members for the first semester, and eleven the second. All of the meetings were held in the Science Room with other outside classes in the Driver's Training Car, which was donated by the Henry Motor Club. During the year the members of the class studied how to manipulate the car and then also what makes the car work. The importance of being a good and safe driver was stressed through out the course.

LIBRARY CLUB

The librarians for the year were as follows: Mary Lou Giugler, Bill Powell, Marilyn Streitmatter, Grace Pringle, Deloris Asher, Irma Stuff, Ida Pearl Greene, Ellen Powell, Mary Mutta, Ella Stuff, Gloria Wilkins, Eileen Burkholder. The advisor was Mrs. Phillippo, our English teacher.

The library was put in order at the first of the year. This was done by the librarians. It was their job, also, to check the students books in and out for them. Each month the Book-Mobile comes and books are selected by the librarians for the library.

Treasurer.....Dick Webber

This is the first year vocational agriculture has been taught in Sparland High School. Our instructor is Paul Nicely who transferred from Wyoming High School.

The first activity of the year was attending F.F.A. camp at Camp Waconda. We spent three days listening to lectures, seeing movies, and participating in sports.

Later on in the year we held an F.F.A. banquet and were presented with a charter, it was presented by Leland Monier. A large crowd attended the affair.

The F.F.A. now plans to sell garden seeds to raise money for the treasury, which will in turn pay for banners and emblems secured by the F.F.A.

The Agriculture classes are building a new building which will house the agriculture classes. We hope that in the future Sparland's ag. department will be one of the best in Central Illinois.

JOKES

Miss Hadley: Junior, how many make a million?
Junior: Not many.

Fun is like life insurance, the older you get the more it costs.

Miss Parlier: Donny, what is an alibi?
Donny Dawson: Being somewhere where you ain't.

Bill K: I wish I was half Jew and half Irish,
instead of being all Irish.
Betty D: Why is that?
Bill K: Because an Irishman is always wanting
a dollar and a Jew always has one!

Father: Well, son, you certainly made a fool of
yourself. That girl robbed you of every
cent you had.
Dick W: Well, dad, you have to hand it to me for
picking them clever.

Here lies my wife: here let her lie!
Now she's at rest, and so am I.

Editor: You wish a position as a proofreader?
Pat Matt: Yes, sir.
Editor: Do you understand the requirements of
that responsible position?
Pat Matt: Perfectly, sir. Whenever you make any
mistakes in the paper, just blame them
on me and I'll never say a word.

Eat, drink, and be merry, for tomorrow ye diet.

Joyce J.: Mom, I want a dark breakfast.
Mrs. J.: Dark breakfast? What do you mean?
Joyce J.: Last night you told Norma to give me a
light supper and I didn't like it.

Verla O.: If a man druggist is called a pharmacist,
what would you call a woman druggist?
Bill P.: A pharmacist, of course.

Chuck H.: Mother, what is a dry martini?
Mrs. H.: Heavens on earth, child!
Chuck H.: Oh!!!

Thirsty days hath September,
April, June, and November;
All the rest are thirsty, too,
Except for him that hath home brew.

Carolyn W.: What's your last name, Wanda?
Wanda D.: Don't know yet; I ain't married.

The saddest words of tongue or pen
May be, perhaps, "It might have been,"
The sweetest words we, know, by heck,
Are only these, "Enclosed find check".

Angeline G.: What is the name of your car?
Willard Mc.: I don't know.
Angeline G.: You don't know? What do your folks
call it?
Willard Mc.: Dad says "The Mortgage"; brother Bill
calls it "The Fake"; mother, "My Limo-
usine"; sister "Our Car"; Grandma, "That
Peril"; the chauffeur "Some Freak"; and
our neighbors, "The Limit".

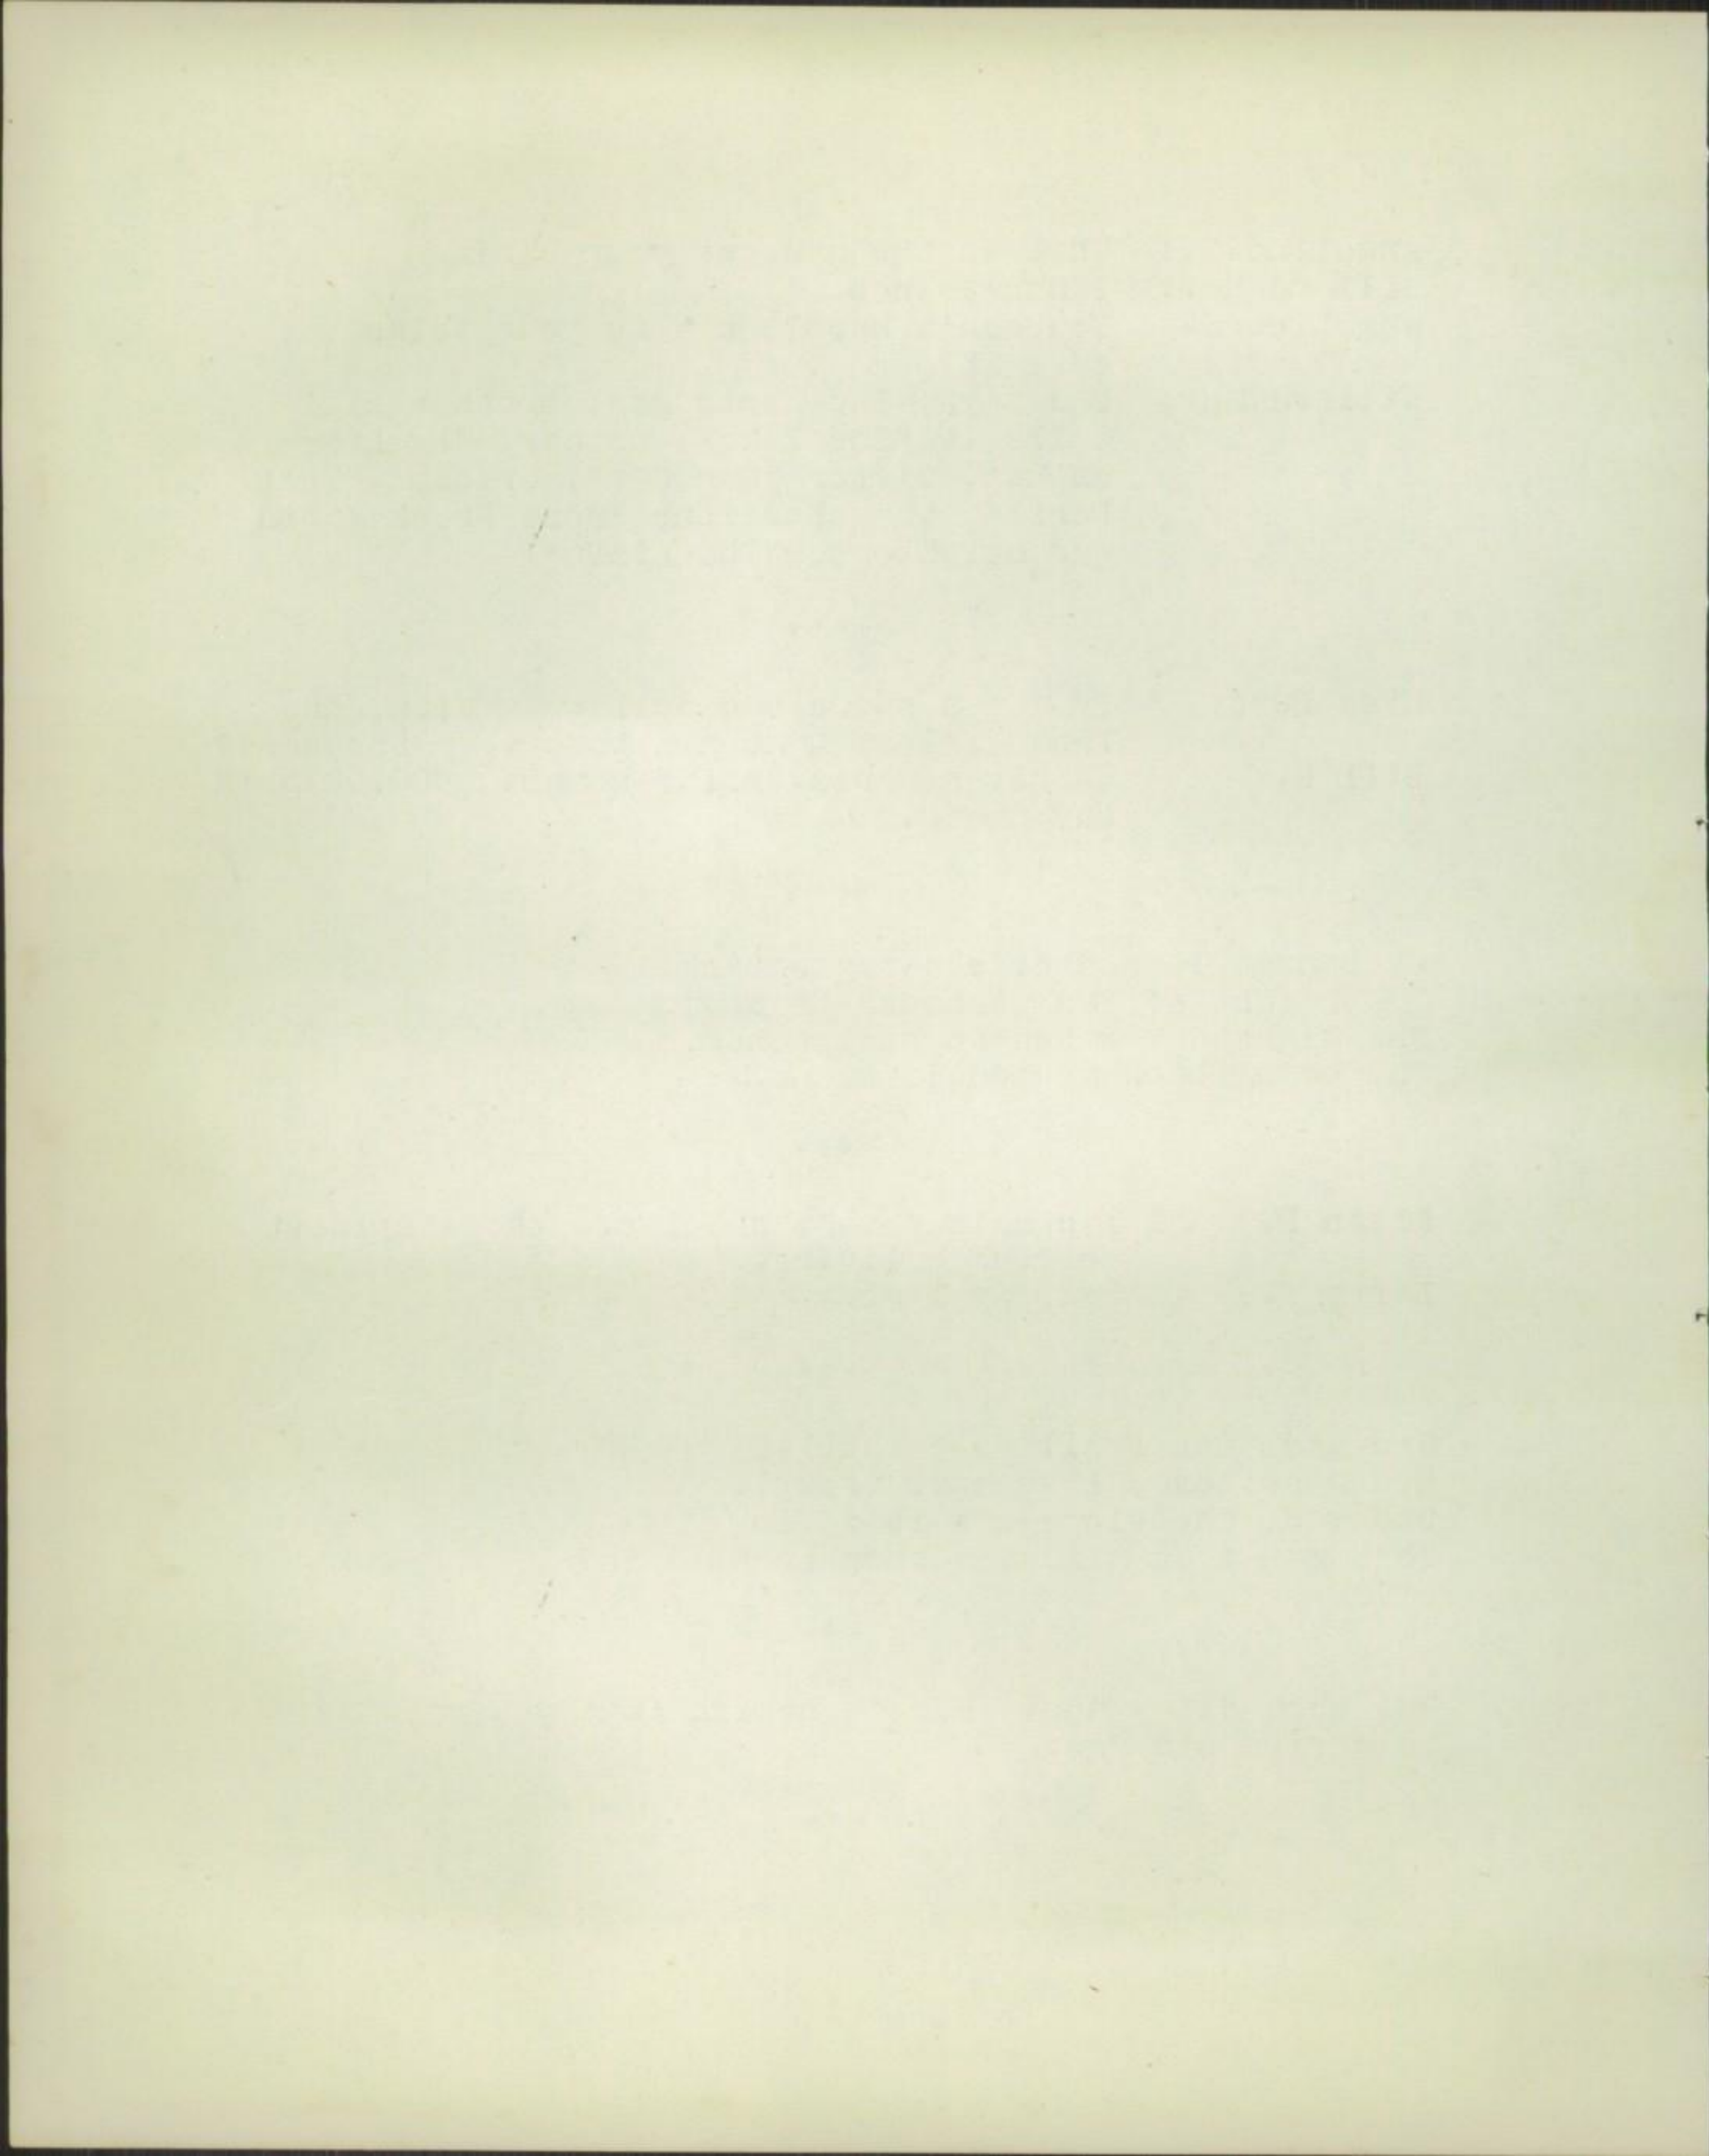

Miss Buss: If a man saves two dollars a week, how
long will it take him to save a thousand?
Bill B.: He never would. After he got \$900.00 he'd
buy a car.

My bonnie leaned over her gas tank
The height of its contents to see;
She lighted a match to assist her,
Oh, bring back my bonnie to me!

Ellen P.: I consider that sheep are the stupidest
creatures living.
Larry B.: Yes, my lamb.

God made man frail as a bubble;
God made love, love made trouble;
God made the vine--was it a sin
That man made wine to drown trouble in?

The good die young. Here's hoping that you may live
to a ripe old age.
